

Board Member (Two Positions – Three-year term)

Two Dairy board positions become vacant this year and DairyTas is seeking applications to fill these positions for appointment, commencing formally in November 2021.

DairyTas is responsible for coordinating a comprehensive research, extension and industry development portfolio across Tasmania.

To be considered for this board position, applicants should demonstrate knowledge of, or experience in, one or more of the following fields:

- Dairy farming and milk production
- Dairy industry structures and organisations
- Food processing, including manufacturing of dairy products
- Business management, finance or law
- Research and extension
- Marketing and promotion
- Natural resource management
- Industry and/or community development
- Leadership

For more information, please contact DairyTas on;

Ph: (03) 6432 2233

E: admin@dairytas.net.au

Closing date for applications is 5pm on **Friday 15 October 2021**.

Interviews (if required) will be conducted for short listed candidates in early November.

POSITION DESCRIPTION DairyTas DIRECTOR, 2021

DairyTas is seeking applications to fill Board Director positions, commencing formally in November 2021.

We are seeking applications for two (2) vacant farmer representative positions.

A Director will always act in the best interest of DairyTas, will abide by the DairyTas Code of Conduct and will endeavour to fulfil the responsibilities listed below to the best of their abilities:

- develop policies and strategic direction for research, extension and industry development in the region;
- identify priorities for research, extension, and industry development projects;
- invest industry RD&E funds allocated to the region by the Dairy Australia to address priority issues;
- maximise investment in regional RD&E through strategic and collaborative funding partnerships;
- grow and diversify the research, extension and industry development funding base;
- develop, monitor and review the implementation of the DairyTas's strategic and annual operating plans; and
- ensure sound management and infrastructure to deliver DairyTas's programs across Tasmania.

Other details:

The board meets bi-monthly through the year.

Directors will be remunerated for board meetings and associated committee meetings, and will also receive reimbursement for travel.

To be considered for this board position applicants should demonstrate knowledge of, or experience in, one or more of the following fields:

- Dairy farming and milk production
- Dairy industry structures and organisations
- Food processing, including manufacturing of dairy products
- Business management, finance or law
- Research and extension
- Marketing and promotion
- Natural resource management (particularly water & climate change)
- Industry and/or community development
- Leadership
- Governance and strategy
