Short Courses

Our Farm Our Plan

dairyaustralia.com.au/gippsdairy | 03 5624 3900

Set long term goals, improve business performance and manage risk. Group workshops and one-on-one support for farmers, gets your ideas down on paper and into action. Whether it be growing your herd, investing in new equipment, building business management confidence, planning for succession or creating more time for yourself, Our Farm, Our Plan can help.

Available both online and in person.

Succession Planning - 'FAIR or EQUAL: Passing on the family farm'

dairyaustralia.com.au/gippsdairy | 03 5624 3900

Discussing some of the tough topics around succession, how to start the process, what can go wrong, what it means when it goes right, change of roles and responsibilities, business structures and transferring of assets. This workshop is suitable for any farmers that are embarking on succession old or young.

Our Farm Our Plan - Career Planning Workshops

dairyaustralia.com.au/gippsdairy | 03 5624 3900

Ideal for dairy staff that are passionate about the industry but unsure on career paths that might be available within the dairy industry. The 3 day workshop provides an opportunity to further develop skills, career planning, networking and equity growth.

Employment Basics

dairyaustralia.com.au/gippsdairy | 03 5624 3900

Aimed at anyone with employees. This program covers recruitment, payrates, effective termination, entitlements and retention of staff. Delivered online or in person.

8 week course of 1.5 hour sessions weekly.

Farming with my Team

dairyaustralia.com.au/gippsdairy | 03 5624 3900

A leadership program designed to improve your own personal leadership skills. It covers everything from effective communication, leadership styles and dealing with challenges.

7 week online course of 2 hour sessions weekly.

Managing People

dairyaustralia.com.au/gippsdairy | 03 5624 3900

Aimed at farmers to develop skills managing staff. This program covers conflict resolution, resilience strategies around employment, leadership, personality traits and so much more.

6 week online course of 1.5 hour sessions weekly.
